Dear Parents/Carers,

We would like to remind you about a great educational website for your child! You have access at home through a username and password. Your child will already be familiar with this resource, and might be able to find some activities that they have tried at school.

online.espresso.co.uk

Your log in screen should look like this.

Log in

Username

Password

[Forgot username?](#) [Reset password](#)

By accessing this service, you confirm that you accept the Terms & Conditions.

Username: student70239

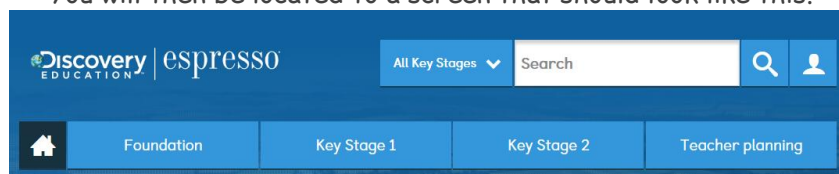

Password: beacon

When you are logged in, you need to click on the link below:

My services

You will then be located to a screen that should look like this.

You will see 3 boxes along the top of the screen. The 'Foundation' section is for Reception; the 'Key Stage 1' section is for Years 1 and 2 and 'Key Stage 2' is for Years 3 to 6. English and Maths are the areas that will be most useful for you at home, but if your child wanted to do some extra research for any of their other subjects, they are also reading and learning in a fun way. Remember to let us know about anything that you have been learning at home! Teachers may suggest specific activities to be tried at home, so please look out for notes on the newsletter etc., informing you which would help your child.

We look forward to hearing about some super, fun home learning activities!

Yours faithfully

Mrs Parkins

Subject Leader for Computing

Part of the Greenwood Dale Foundation Trust Group of Academies
