

ENGLISH and PHONICS

We will be continuing with 'Drawing club' as used in Reception last year and each week will be listening to a new story for our inspiration for writing.

We will be consolidating our blending to read skills and segmenting to write skills using level 3 and 4 knowledge.

In phonics we will be moving onto level 5 sounds (more information will be added to Tapestry each week).

We will be working on our sentence writing skills; looking at the use of capital letters, finger spaces and full stops.

We will also be refining our fine motor skills and letter formation.

MATHS

We will be learning

- to sort, count and represent objects and numbers.
- to count on and back from different starting points.
- to find one more and one less than a given number
- to compare numbers and use vocabular of greater than , fewer than and equal to.

We will also be consolidating our number writing skills.

SCIENCE

We will be learning about seasonal change.

We will be learning about the four seasons and observing how these differ from one another.

We will take part in practical activities to sort clothes, events and weather that happen in the different seasons.

We will look at how day length varies.

We will be learning the months of the year and which season these typically relate to.

We will also carry out some weather investigations linked to our Geography learning.

GEOGRAPHY

We will be learning about

- the months of the year and seasons.
- features and differences between seasons.
- the different types of weather in the UK and how this affects the clothes we wear and different jobs.

Year 1

Autumn Term 1

What's the weather like today?

PSHE

Relationships

We will learn what a relationship is, what makes a good friend and discuss special people in our lives.

Feelings and emotions

We will learn to name and recognise emotions and discuss what these might feel like and if we have ever experienced them. We will also look at ways to cope with negative emotions.

MUSIC

We will be learning

- to clap, tap and sway in time to the pulse
- to sing a rhythm in time to the pulse.
- to copy rhythms using an instrument
- to keep the pulse while using an instrument.

RE

How did the world begin?

We will talk about what creation means.

How different religions believe the world was created.

We will begin to understand that there are different religions in the world and think about views from Christian, Jewish and Hindu

ART

We will be looking at the work of famous artists as inspiration for our mark making.

We will look at different lines that can be drawn and the effects these have.

We will also experiment with different media for drawing.

We will use our drawing skills to make observational drawings.

PE

This term we will be working with JB coaches to develop our fundamental movement skills. This will include, running, jumping, spatial awareness, throwing, catching and kicking.

We will also be taking part in health related exercises to increase our fitness, stamina and perseverance.

Our PE days will be on **MONDAY** and **WEDNESDAY**.
