

BEACON PRIMARY ACADEMY

NEWSFLASH

SUPPORTING MATH SESSIONS FOR PARENTS

TUESDAY 26TH FEBRUARY - YEAR 1 - 5

This session will guide you through how we teach Maths at Beacon Primary Academy. Teaching approaches have changed so much since we were at school, so this session will help you to support your child with the consistency that we would need between home and school. We want to avoid any confusion for the children so if you show them aspects of Maths in the same way that we do it, that would be great.

Please come along and we will show you exactly what we do in school and suggest ways that you can help at home.

There are two sessions to choose from

2:30pm– 3:15pm or 5:30-6:15pm.

We look forward to seeing you!
