Earrings – Information for Parents

Dear Parent/carer

If your child wears earrings (or an earring) they need to be removed by you at home on P.E days to ensure that no injury occurs during these active sessions. If they can remove their own earrings this can be done at school. If for any reason your child cannot have them removed, they will then have to do P.E with them in. This should only be for exceptional circumstances due to the added risk to your child during P.E.

All P.E sessions are compulsory and a key part of our curriculum and the Government places a huge emphasis on this. The latest guidelines suggest that tape should not be placed over the earring so we will be unable to do this.

If you are planning for your child to have their ears pierced, please arrange this during the summer holiday as they will then be healed and ready to be removed for P.E once back at school.

We really appreciate your support with this. It is important that we together, take all of the necessary steps to ensure your child's safety, whilst ensuring that they take part in all aspects of the curriculum.

Please sign and return the slip below if your child wears earrings.

Kind regards

Mrs Wright
Principal

If my child is wearing their earrings when a P.E session takes place, I understand that they will need to take part in the activity with them in despite the risk of injury.

Child's name.....

Parent's signature.....
