

BEACON PRIMARY ACADEMY

As you are aware the weather is getting warmer and children will be outside more as the weather improves. We ask that you ensure your child has plenty of sun lotion applied in the morning before they come to school and that your child has a named sun hat and their water bottle in school every day. If you wish, your child can bring their sun lotion to school but the bottle must be named and your child must be able to apply it themselves or you will need to complete a form with Mrs Crow for a member of staff to apply.
Thank you for your co-operation
