

Today parents/carers we are giving you the day off!

As a team, we appreciate how hard you are all working with your children during this difficult time.

Instead, for today all that we ask is that you spend time together and enjoy each other's company, having lots of fun and laughter along the way.

That said we would still love to see what you get up on Tapestry. You could...

- Watch a movie
 - Build a den
 - Go for a walk
- Make hot chocolate and read a book
 - Have a go at some cooking
- Have a go at one of the activity ideas posted on Tapestry.

We'd also love to tweet what you all get up too.

Have fun and stay safe from everyone in Reception. X
