

All About Me

Your task for this week will be to create a piece of work all about yourself for me to pass onto Mrs. Ryan, your Y5 teacher. I know that she will already know a lot about you, so your challenge is to really impress her with extra information. You can tell her if you have learnt any new skills during lockdown or tell her about things that happened in Y4. Remember to really show her your best writing skills ready for Y5.

You can make a fact file or write a letter to her. You can create the letter on paper and send a picture of it to me on Teams or create it on a OneNote page. Just make sure that you let me know where!

You can include pictures, drawings or clip art. You could even include an acrostic poem of your name!

I can't wait to read them and I know that Mrs. Ryan, Miss Berridge and Mrs. Sowden can't wait to see them too.

Please take your time to create your best work, and get your copy saved or sent to me by Thursday 18th June.

You might want to include:

- facts about you;
- facts about your family;
- your likes and dislikes;
- your future plans;
- your feelings about school;
- your personality.
