

Our Uniform

Please access the full range of uniform via our website – from 1st June this will direct you to our new supplier, Nationwide School Uniform. Some items can be purchased from your preferred locations, see below for the details.

We have tried hard to find a balance between our children looking smart and their uniform being as cost effective as possible. Our new supplier was selected due to their competitive prices and their quick and efficient service. They are a local company who have a shop based in Spilsby so you can visit to try things on if you prefer. Please note that all current items of uniform can still be worn – changes are only needed as you purchase new items. If you have any further queries, please have a look on the website and, if you need any further assistance, contact Mrs Crow.

Thank you.
