  - ★ Home time

Look at what we get up to...

- ★ During the day we have an open snack table. Here the children can have a piece of fruit and a drink.
- ★ This is a perfect chance for children to develop their speaking, listening and social skills with their friends.
- ★ Children will also be given the opportunity to pour their own drinks and cut their fruit.

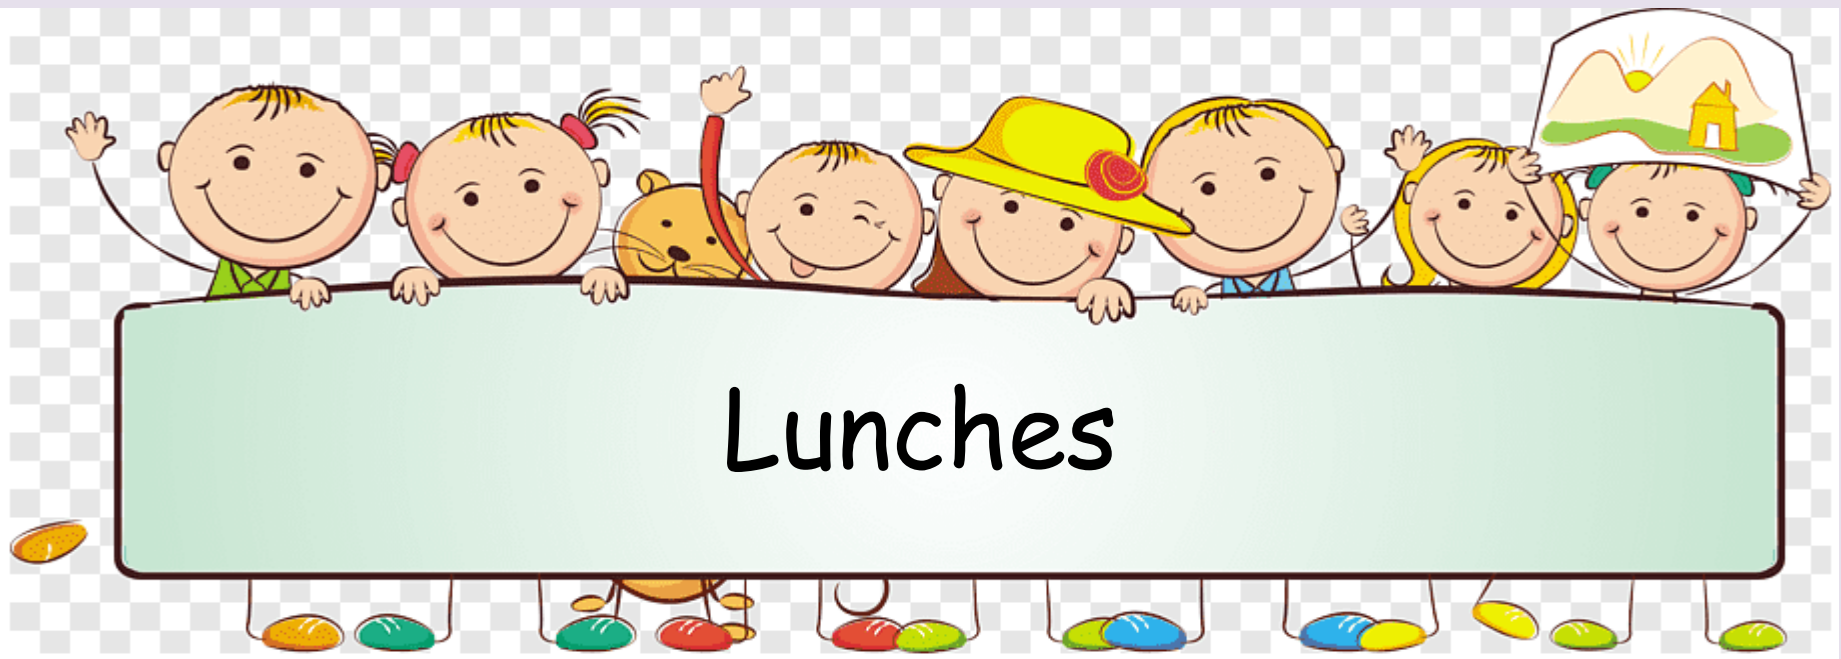

- ★ Your child will have a tray in the classroom for pictures, jumpers, cardigans, bookbag etc.
- ★ Your child will also have a locker for their coat and PE kit. A bag of spare clothes and pants can be kept in the locker if you think they might be needed.
- ★ Your child will need to keep a pair of wellies at school. We have an outdoor woodland area that can get a bit messy! We have a wellie stand outside of the classroom.
- ★ No toys from home are to be brought into school.

- ★ All children in Reception will receive either a jumper or cardigan.
- ★ Please see the school website for our uniform providers information. They have a shop in Spilsby that you can go to.
- ★ Please, please make sure your children's uniform is labelled.

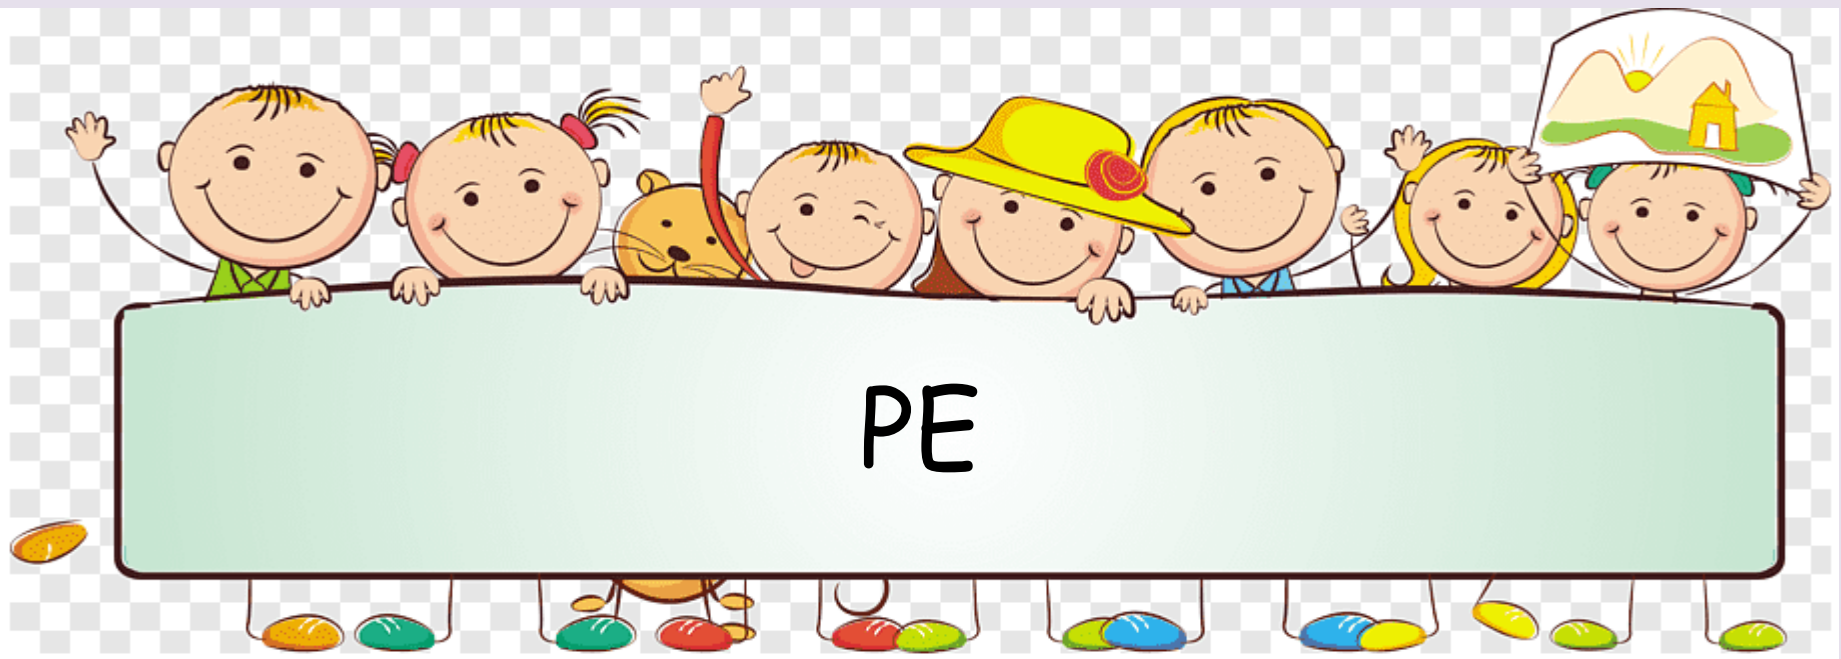

- ★ All children in Reception get free school meals.
- ★ From our menu your child can select a hot option, jacket potato or a sandwich with a pudding.
- ★ Menus are filled in every term electronically.
- ★ If you do not want a school meal your child can bring in a lunch in a named lunchbox.

★ From term 2 children can select a club from our enrichment list. These include film club, music club, art club, sports club and many more. Children can select which ones they are interested in - we aim for every child will get one of their choices

★ Clubs are after school from 3:15pm until 4pm..

★ We will have PE once a week.

★ Please make sure your child's kit is named.

★ Please encourage your child to practise getting changed. We expect the children to look after their uniform and PE kit and to keep it safe.

★ Our curriculum is play based and this will involve messy play!

★ Messy play is fantastic for....

- ★ Fosters Curiosity, Imagination and Exploration
- ★ Encourages Communication and Language Development
- ★ Practices Good Concentration and Nurtures Future Skills
  - ★ Promotes Physical Development
  - ★ Supports the Ability to Play Independently

★ We have indoor and outdoor aprons/overalls for the children to wear.

- ★ We use Tapestry to record your child's achievements. You can access Tapestry on your own device with your log-in details.
- ★ You can comment, like or add your own observations.
- ★ We will also use Tapestry as part of our transition. Make sure you keep your eye out for any important information!
