Head Lice Reminder

We have had a case of head lice reported in school.

Please take a few minutes to check your child's hair and treat if needed. Thank you for your support in helping us manage this.

Lincolnshire Show – Authorised Absence

We are pleased to confirm that we will authorise ONE day of absence for pupils attending the Lincolnshire Show on either:

- 17th June or
- 18th June

This reflects our commitment to helping children learn about and celebrate our local area.

Please note:

- This is a **one-off arrangement**
 - It does **not change our attendance policy**
 - You must **inform school in advance**
-

Transition for Next Year

To support a smooth move to new classes:

- We will be introducing an enhanced transition programme
- From week beginning 22nd June, new teachers will spend weekly time with their next class

This will help children feel confident and ready for September.

Staff News

We are sad to share that **Miss Millea** will be leaving us on 19th July to begin new adventures.

We would like to thank her for all her hard work and commitment to Beacon, and we wish her every success for the future.

Big Talk Education Visit – Monday 13th July

We would like to inform you that Big Talk Education will be visiting our school on Monday 13th July to deliver their *'Growing Up Safe'* sessions.

These sessions form an important part of our Relationships, Sex and Health Education (RSHE) curriculum and are designed to support children in understanding how to keep themselves safe as they grow.

Big Talk Education has also provided a main presentation, along with several age-appropriate presentations, for parents and carers to view in advance. These resources give a clear overview of the content your child will experience and are intended to support open and informed conversations at home.

You can access all presentations using the link below and the password provided:
