Dear parents/carers,

It has come to our attention that there are inappropriate conversations taking place on the social media platform, Snapchat, involving pupils from Year 4 and Year 5. The content and language of these conversations is inappropriate and would not be tolerated in school. May we also take this opportunity to remind parents/carers that Snapchat has an age rating of 13+, and therefore should not be used by pupils of Beacon Primary Academy.

If you have older children in your family, there are some safety measures that you can implement to ensure your child is not exposed to any inappropriate content or conversations. There is also a link to CEOP Police Website – Child Exploitation and Online Protection where any online abuse or concerning communication online can be reported.

If you have any queries, or if you would like to discuss this further, please do not hesitate to get in touch.

Thank you

Miss Wright
